

IMPORTANT NOTICE REGARDING PARTICIPANT ARRIVAL TRANSFERS

At the exit gate of the arrivals terminal at the airport, our staff will be waiting for all participants, holding signs that read "CHESS VRNJAČKA BANJA" along with the tournament logo, so they are easy to spot.

They will provide all participants with the necessary information about the transfer departure.

The maximum wait time for the transfer is 120 minutes; however, for most participants, the wait will be much shorter.

Please note that any delays in the flight schedule may affect the timing. If this happens, we kindly ask for your patience, and we will ensure that all participants are transferred to their destination.

The names and phone numbers of the transfer coordinators will be published here on Monday, April 13, by 4 p.m.
